### **QUOTE OF THE DAY**

"Every exit is an entry somewhere." – Tom Stoppard

"I firmly believe that there was an ancient language, the language of the melodies that make us all be understood. The melody of ancient times must resound in our souls so that we may have a human life. The ancient melody, the so many times forgotten melody, the melody of love." – Jozsef Szombatfalvi

"Only the wisest and stupidest of men never change." - – Confucius

"I'd rather be a could-be if I cannot be an are; because a could-be is a maybe who is reaching for a star. I'd rather be a has-been than a might-have-been, by far; for a might have-been has never been, but a has was once an are." – Milton Berle
